

Sueno Rio Celeste

Natural Harmony Wellness Retreat

September 23rd -28th
2025

About...

If you are looking for a real connection with yourself, relaxation and you are passionate about everything related to a wellness lifestyle.

THIS IS YOUR CHANCE!

In the northeast of Costa Rica is the community of Bijagua, an area blessed with unparalleled natural beauty, located between the Miravalles and Tenorio volcanoes, and with a biological corridor which is characterized by the observation of endemic species of Costa Rica.

This wonderful place invites us to participate in a unique experience, in which we will explore part of the culture, gastronomy, fauna and recreational activities which will help us focus on a connection with ourselves, in an environment of peace and relaxation
